

Chief Executive Officer Appointment of Cornerstone International e.V.

6 February, 2025.
Munich, Germany

The Board of Directors of Cornerstone International today announced the appointment of Mz Motaz the Foundation's founder, as Chief Executive Officer (CEO), effective. The appointment follows a formal decision by the Board and marks an important step in strengthening the foundation's leadership and long term strategic direction.

Mz Motaz established Cornerstone International with the objective of working with partners to end the injustice of poverty, as a rights-based movement fighting inequality, offering humanitarian relief and advocating for systemic change, gender justice and climate action.

Since its founding, the Foundation has developed initiatives and partnerships aimed at education, sustainability, social impact, research, humanitarian support and health, contributing to measurable progress across its program areas.

In its decision, the Board cited Mz Motaz's deep institutional knowledge, strategic vision, and commitment to the foundation's mission as key factors supporting the appointment.

In the role of CEO, Mz Motaz will be responsible for overseeing the foundation's strategic development and external partnerships. He will work closely with the Board of Directors to advance the foundation's mission, ensure effective governance and support the organisation's continued growth.

Margo Zsold, Chairlady of the Board of Directors of Cornerstone International, together with the other members of the Board of Directors, warmly thank Mz Motaz for the utmost professionalism he has always demonstrated in serving this mandate of trust.
